THE WATER BOARD.
Its Statement was Submitted to the
City Clerk Wednesday.
OPERATIONS FOR YEAR 1899
Were Quite Satisfactory—Large Pay-
ments Were Made on the Extensive
Improvements Now in Progress at
the Pumping Station—Big Addi-
tions to the System of Street Mains.
A Good Report.

Secretary of John E. Schellhase yester-
day handed to City Clerk Thomas
O'Brien, Jr., the statement of the
water department's operations for the
year 1899. Needless to state this de-
partment of the city is shown to be in
first class condition—it always is—and
as heretofore it is a striking argu-
ment for the good results achieved from
municipal ownership of some of the
public utilities. As Secretary Schell-
hase states, a feature of the year's op-
erations was the fact that the board
was able, through economic adminis-
tration of affairs, to expend over 60 per
cent of its revenues on betterments to
the system, which is now undoubtedly
the best possessed by any city in the
United States of Wheeling's size. The
report in full follows:

WHEELING, W. Va., Jan. 15, 1900.

Balance January 1, 1900.....\$ 5,474 34
The water board furnishes a large quan-
tity of water free, or from which no re-
venue is derived.
The board maintains and supplies with
water 263 fire hydrants, for which service a
private company would probably receive
about \$40 per hydrant per annum, or \$15-
\$20 00.
The board also supplies churches, hospi-
tals and charitable institutions, in addi-
tion to the city gas and electric light plant,
and all municipal buildings free. This
service is worth at least \$250 00.
Thus it is evident that if the board was
paid for services rendered, its annual re-
ceipts would be increased by at least \$15,220.
Our receipts for 1899 were \$109,573 31, as
against \$105,455 54 for 1898. Deducting from
this last amount the sum received for old
water works pumps, etc., which was
\$3,375 79, it leaves the collections for 1899
\$106,197 52, which is an increase over 1898 of
\$6,450 32.
The amounts paid on our indebtedness is
as follows: \$12,000 00 improvements, in-
take pipe, tunnels, etc., \$11,533 65, and for
extension of street mains, \$19,476 14, mak-
ing a total of \$43,010 79. This shows that
our receipts for 1899 were \$63,186 72, as
against \$62,444 75 for 1898. Deducting from
this last amount the sum received for old
water works pumps, etc., which was
\$3,375 79, it leaves the collections for 1899
\$59,810 93, which is an increase over 1898 of
\$6,450 32.
JOHN E. SCHELLHASE,
Secretary of the City Water Board.

AMUSEMENTS.
The "Royal Box" was given its in-
itial presentation in Wheeling nearly
two years ago, with Charles Coghlan
(now dead) in the star role, and it was
received then with pronounced favor.
Last night it was given its second
Wheeling presentation, with a very
strong cast. Mr. Andrew Robson es-
sayed the role of Clarence, the actor,
and his dramatic ability was shown in
a striking manner, and he filled the
great Coghlan's shoes to the entire sat-
isfaction of the audience. As Celia
Pryce, Miss Coghlan endeavored herself
to the audience, which was enthusiastic
in its appreciation of the all-round
good acting. The "Royal Box" will be
repeated this afternoon and to-night,
and doubtless large audiences will re-
spond to the opportunity.

"The Great Train Robbery."
Every American boy and girl should
be given a chance to see that great
American play, "The Great Train Rob-
bery." They will learn from it much of
historical value, and see strange people
and characters, who will be but mem-
ories when the children of to-day have
reached maturity. It will be seen at the
Grand during the half week commencing
next Monday, January 22. Mr. Wil-
liam T. Keogh has received a very lib-
eral offer from a well known English
theatrical manager to produce "The
Great Train Robbery" in London. There
will be time enough to consider the pro-
position when the American tour is ex-
hausted, of which, according to that
most reliable of tests, the box office,
there are no present, or even remote in-
dications.

"The Katzenjammer Kids."
Blondell & Pennessy's musical fun
comedy, "The Katzenjammer Kids,"
just closed a remarkably successful en-
gagement at the Park theatre, Phila-
delphia, the press commenting on it as
follows: "The Record, 'Another hot old
time laughing success.' The Inquirer,
'A diversified entertainment, keeping
its auditors in a continuous roar of
laughter.' The Ledger, 'The Katzen-
jammer Kids is a decided novelty and
caused frequent bursts of laughter and
applause.' The Press, 'The Kids is a
farce that fulfilled its mission to add to

the world stock of innocent amuse-
ment. It comes to the Grand for three
nights and matinee, commencing this
evening.

Society.

The beautiful suburban home of Mr.
and Mrs. Jacob Wilson Grubb, at Echo
Point, was the scene last evening, of a
joyous event that has been looked for-
ward to with pleasurable anticipation
for several weeks by Wheeling Society,
in which are numbered so many friends
of this leading family. The occasion
was the marriage of their beautiful and
accomplished daughter, Miss Mary
Delaplaine Grubb, to Mr. Frank Water-
house, a promising young business
man and society leader, and a son of
Mr. and Mrs. John Waterhouse.

The ceremony was performed at 8
o'clock p. m., in the handsome parlors
of the Grubb home, by Rev. D. W.
Howard, rector of St. Matthew's P. E.
church, and was witnessed by only
immediate relatives and friends. The
bride was led to the floral bower, where
the minister stood, by her father, and
the groom was accompanied by the
bride's brother, Mr. Louis Delaplaine
Grubb, as best man, and her six-year-
old sister, Elizabeth, acted as flower
girl. The impressive marriage service
of the Episcopal church was followed
by Mr. Howard.

The bride was attired in a gown of
Renaissance lace, made over white silk
and chiffon, with a tulle veil fastened
with a sunburst of diamonds, and she
carried a shower bouquet of lilies of
the valley.

The parlor had been decorated espe-
cially for the occasion by Florist Max
L. Hess, and no effect of such beauty
and magnificence has been seen here
before. The floral bower was formed in
the large bow window, and the color
scheme was white throughout. The
large floral arch was of asparagus,
bride roses, Calla lilies, white carnations
and Roman hyacinths. The space
back of the arch was banked with
many palms, artistically arranged. Ex-
tending from the arch there was a
canopy of asparagus, and dropping
from it a shower of white carnations,
tied with white satin ribbons. The
chandeliers and doors were draped
with asparagus. The effect was indeed
beautiful and fairy-like. It was under
this arch that the ceremony was per-
formed.

Following the ceremony, a reception
was held, the hours being from 9 until
11, and the function attracted a large
and very brilliant assemblage, in which
were many visitors as well as Wheeling
people. The receiving party consisted
of the bride and groom, and their par-
ents, Mr. and Mrs. Grubb and Mr. and
Mrs. Waterhouse.

The floral decorations of the entire
house were on the scale of elaborateness
and beauty seen in the parlors. The re-
ception hall was especially attractive,
the staircase and ceiling being decora-
ted with wild smilax. The apartment
at the head of the stairway was occu-
pied by the Opera House orchestra,
which discoursed sweetest music
throughout the evening. This room
was banked with palms profusely. The
library was decorated with asparagus,
potted plants and Calla lilies. The
dining room was in pink, with palms
and asparagus. The table decorations
included pink roses and Lillies of the
Valley.

The happy couple left on the Balti-
more & Ohio midnight express for a
trip to points of interest in the east and
south, and they were given a cordial
send-off by many of their friends at
the railway station. They will be away
about three weeks, and on their return
will be at home at the Grubb home,
Echo Point.

Thurston-Short Wedding.
Last evening, at the home of Rev. C.
M. Oliphant, occurred the wedding of
Miss Rose Short, daughter of Officer
John M. Short, to Mr. Herbert Thurston,
an engineer on the Wheeling &
Lake Erie railroad. The attendants
were Miss Sallie Hall and Mr. Alfred
Johnston.

Altmeyer-Woebber Nuptials.
Yesterday morning, at the Church of
the Immaculate Conception, South
Side, occurred the wedding of Mr.
Charles Altmeyer, the well known drug
clerk, and Miss Rosemary Woebber, of
South Market street. After a wedding
reception at the home of the bride's
parents, Mr. and Mrs. Altmeyer left on
a brief wedding trip, at the conclusion
of which they will reside on South
Chapline street.

Strobel-Heston.
Last night at 8 o'clock, at the home
of Rev. C. M. Oliphant, pastor of the
First Christian church, occurred the
marriage of Mr. Joseph H. Strobel and
Miss Blanche Heston, in the presence
of a few friends. The groom is a young
potter, of the South Side, and the bride
is the daughter of Mrs. Sarah Heston,
of Thirty-first street.

FOUR CONVENTIONS

May Be Secured For Wheeling—In
the Event That the
STATE CONVENTIONS COME

It is Considered Likely That the First
District Congressional Conventions
of Both Parties Could be Land-
ed for the Day Before or After the State
Gathering—Much Interest Shown.

If Wheeling is fortunate enough to
land the two state conventions, for
which a committee of the chamber of
commerce is but just now taking up
the campaign inaugurated by the In-
telligencer, it is quite likely that it will
be possible to have four big political
gatherings here. It has been found
convenient and advantageous by both
parties on several occasions in the
past to have the congressional conven-
tion held in the town where the state
gathering convenes, either on the day
before or after the former. This was
the case in Wheeling '96, when the
First district congressional convention
of the Democracy was held here the
day before the state convention. So,
in the event that both state conventions
are landed, doubtless a successful ef-
fort could be made to get the congress-
ional conventions of both parties.

The efforts making to secure the big
conventions are interesting everybody
in the city and vicinity, and the hope is
general that the campaign will meet
with success both before the Demo-
cratic committee at Charleston, on
January 25, and at Wheeling before the
Republican state committee on
February 21. However, there is to be
no walk-over in either fight, as Park-
ersburg is up in arms and entering
upon a desperate contest for both state
conventions. The hotel men, board of
trade and all classes of citizens are in-
terested, and it is proposed to erect a
capacious wigwam on one of the prin-
cipal streets for the sessions of the
conventions. On the other hand, it is
generally conceded that Wheeling is
really the only town in the state that
can easily and comfortably accommo-
date the large crowds attracted to the
state gatherings. In any other town of
the state there is a lack of hotel ac-
commodations, lack of telegraphic fa-
cilities, lack of amusements for the
visitors—lack of everything, in fact.
On merit alone, Wheeling ought to win
in a walk.

OLD SOLDIERS MADE GLAD

By the Assurance of Grand Marshal
White That They Will Have the
Right of Line in the "Dewey Day"
Parade—Doddridge Cadets to Partici-
pate.

Yesterday afternoon the hearts of
the old soldiers were made glad by the
assurance coming from Grand Marshal
Robert White that their division in the
"Dewey Day" parade would have the
right of line. This division, which will
be made up of veterans of both the
blue and the gray, will be one of the
largest in the parade. Besides the local
veterans, the G. A. R. posts of
Moundsville, Martin's Ferry, Bridgeport,
Bellaire, Weilsburg, Steubenville,
Little Washington and many other
towns in the tri-state radius will come.
In addition to the G. A. R., the old sol-
diers of the gray will figure in the
division.

Yesterday afternoon, Chairman Gar-
vin, of the "Dewey Day" executive
committee, was waited upon by a de-
legation of students from Union school,
Lieut. Doddridge's alma mater, who
stated that their organization, the
Doddridge Cadets, desired a place in
the parade. They were assured that
they would have an excellent position.
The youngsters are enthusiastic, and
intend making a showing that will
please their namesake and his gallant
commander, Admiral Dewey.

What you need—what you must have to make you well, vigorous and strong again, is Dr. Greene's Nervura blood and nerve remedy, that great medicine which has cured more people than any other remedy in the world.
Mr. Michael Deberry, 5 Foster Street, Woburn, Mass., says:
"I was very much run down and was hardly able to work. I awoke in the morning as tired as when I went to sleep. The doctors said I had nervous debility. I began using Dr. Greene's Nervura and immediately commenced to feel better. My appetite returned and I could eat and sleep well, and when I went to the office I felt refreshed and vigorous and able to do a good day's work. As you can see I am no longer a nervous wreck. I am now the vigorous man I once was. I give you my advice, without charge, and his sympathy and counsel will help you to get well."

Special Dispatch to the Intelligencer.
BRILLIANT, O., Jan. 17.—Forest Chamberlain, aged fourteen years, son of J. B. Chamberlain, of Wellburg, was drowned this afternoon while crossing from Brilliant to Wellburg in a John boat. The Joseph Walton, with a tow coming up the river, had stopped in front of Wellburg and was drifting, but started in time to catch the John boat as it passed in front of her and upset the boy into the river, and he was drowned, after uttering a cry for help. He was warned against crossing in front of the boat. The boy's body has not been recovered and may not be for some time, as he was heavily clad and had on gum boots when he went down in mid-stream.
